

HAPPY HIKING BOOTS

We begin our season with a trip to see the Easter Wells in the Fränkische Schweiz and it will be a drive, because they are so far apart. We

start at the Turnerbund on **Friday, 26th April at 9:30 a.m.** and drive to Forchheim, Ebermannstadt, Heiligenstadt, Waischenfeld, Muggendorf, Gössweinstein, Biberbach and Egloffstein, where we will have lunch nearby at the Schlehenmühle Tel. 09197-291, then via Pretzfeld and Forchheim back to Erlangen. Total distance is about 100 km, every co-driver will get a plan of the route. Before we start we might decide whether to shorten the drive a little.
