Anniversary Programme

Our evening will begin at 5.30 p.m. with an aperitif.

Our President's welcoming address will begin punctually at 6.45 p.m.

Other speakers will include Erlangen's Bürgermeisterin Dr. Elisabeth Preuß.

The evening's main speaker will be Dr. Helmut Haberkamm, who will talk on Franconian Dialects.

And for good measure there will be entertainment in the form of short sketches (The Pretenders), music provided by our own singing trio (Sheila, Eileen and George) as well as some wonderful Jazz music (Prof. Dr. Heiner Bielefeldt).
