

TRIP TO NEUBURG AN DER DONAU

Saturday, 14th September 2019

Dear members,

I am currently planning a September trip to the picturesque Renaissance and Baroque town of NEUBURG ON THE DANUBE.

We will travel by coach from the Turnerbund in Erlangen, leaving punctually at 8:30 am. We will be met in Neuburg by a certified city guide for a two-hour walking tour through the historic old town ("Renaissance and Baroque architecture, patrician houses and aristocrats' mansions displaying superb facades, imposing churches, the provincial library and the ancient mint, the medieval walls and the upper and lower gates").

After the walking tour we will have lunch in a restaurant recommended by the tourist office, followed by a visit to the famous collection of Flemish art in the castle.

My aim will be to return to Erlangen by 9 p.m.

I cannot say how much the trip will cost at the moment, but I am hoping thirty members will show interest in coming along. If you are one of them, please send me an email, as early as possible, to: **president@franconian-society.de**
